## Galway couple to build an orphanage in Botswana

BY KERNAN ANDREWS

A Galway based couple are leaving the city on Saturday, bound for Botswana and the building of an orphanage.

Dave Munn and Jo Brown have been raising funds through Bold Art Gallery with a raffle which totals some €8,000, and have been receiving donations from APC, Toymaster, Early Learning Centre, O'Malley's construction company and Nexus Homes.

"These are just a few of the businesses who have kindly donated goods to fill a shipping container leaving Britain for Botswana shortly," says Dave. "We wish to thank the kind people of Galway for supporting us in this project."

For more information on the work Dave and Jo will be doing in Botswana email infotopbanana@yahoo.co.uk
